

For Immediate Release

InvestorForce Chosen by Two New Clients for Performance Reporting Solutions

WAYNE, PA, October 13, 2010 – InvestorForce, Inc., the premier provider of performance reporting solutions to institutional investment consultants, is pleased to announce that two prominent industry firms, Consulting Services Group and Larry Thompson & Associates, are now clients of the InvestorForce Performance Reporting Network (iPRN).

Memphis-based Consulting Services Group (CSG) and Larry Thompson & Associates in Dallas will use InvestorForce's performance measurement and investment reporting services to gain access to the robust analytics and critical daily portfolio information available through iPRN. Consulting Services Group consults to more than 80 foundations, endowments, corporate and public plans, trust companies, and hospital funds, with more than \$21 billion in combined assets under advisement. Larry Thompson & Associates consults to pension funds, foundations and endowments clients representing roughly \$1 billion in assets under advisement.

The InvestorForce Performance Reporting Network supports institutional investment consultants in aggregating data, calculating performance, and generating reports for over 3,000 pension plans, endowments, and other institutional investors. More than \$4 trillion in combined assets is managed through the platform by InvestorForce clients.

"We're delighted to partner with InvestorForce to use its performance reporting platform, providing our clients with the most timely and sophisticated data available," said Larry Thompson, Larry Thompson & Associates' founder and president. "InvestorForce's reporting solution fits our needs perfectly. The InvestorForce team's knowledge of the investment consulting space helped make this an easy decision for us."

"InvestorForce's fully integrated, web-based platform gives us the advanced performance measurement capabilities we need to streamline our reporting process," said Miles Fortas, COO of CSG. "We value their technical expertise and exclusive focus on institutional investment consultants."

"We are delighted to partner with Consulting Services Group and Larry Thompson & Associates to provide their consultants with state-of-the-art performance reporting and analytics as they serve the complex needs of their institutional investors," said Jim Morrissey, CEO of Wayne, PA-based InvestorForce.
